

BE A SANTA TO A SENIOR!

Willoughby Hills is pleased to partner with Home Instead Senior Care to offer an opportunity for Willoughby Hills seniors to be remembered at holiday time.

This program allows the City of Willoughby Hills to submit a name of a senior citizen who will be without gifts or family visits during this holiday season. By filling out a form, you can make suggestions on what this senior might like.

If you know of a person who may benefit from this program, please call Gloria Majeski at Mayor Weger's office at 440-918-8730.

Also, if you would be interested in getting on the list to do some shopping for a senior and donate those items thru the "Be a Santa to a Senior" Program, please call Gloria at 440-918-8730.

Together, we can make this a happy holiday for our seniors!
